Lets for Life are a specialist housing provider and a registered charity.

Lets for Life provides high quality homes with excellent standards of specialist housing management. By leasing from private landlords, we offer tenancies to people with learning disabilities who have complex support needs to live in the local community.

We work with private landlords, philanthropists, investors, statutory and voluntary bodies, providers and above all, **tenants**, families and advocates to get the right home for the right tenant.

Our offices are based in Wilmslow, Cheshire.
